The beginning the potion

[image]

5:37 a.m.

All the students are waking up.
3 students from ravenclaw some how got a sample of a lust potion.
(A lust potion is like a love potion but kinky)
And today was the day Draco Malfoy's father was coming over for the day. The 3 students poured half the lust potion for Draco and Lucius's cups, when everyone got to their house tables the 3 ravenclaws watch both Malfoy's drink their cup of "water"....

Harry's POV:
I got ready the todays class, I went with Ron to eat breakfast and I saw the Malfoy's father was here. Snape was about to talk to me but we saw that both Malfoy's drop their cups, me and Snape ran to help I got Draco and Snape got Lucius, but when we touched them they moaned.

Both Harry and Snape blushed really hard and they both carried them to the room of requirements. There was two beds. One for Lucius and one for Draco, both of the Malfoy's were moaning nonstop, but then they both got up and Lucius said to Snape "Snapeee please f-fuck me" and Draco said to Harry "please fuck me harryyy" they both blushed so hard.

Sry everyone I have to stop here but don't worry there is going to be a part 2 to this
For all you sinners out there and I am thankful that I exist for this shit-
And wow 248 words thank you everyone one love you bye!

The first time pt2

[image]

Snape and Harry blushed really hard. Harry took Draco's pants off and Snape took Lucius's pants off too.
(I am going to do one at a time because so y'all don't get confused)

Harry x Draco
Harry saw Draco's pink asshole, and Harry said a spell to lube Draco's ass. Ahh~ Harry~ Draco said and this made Harry blush and when Draco was all lubed up Harry took off his pants. Draco saw how big Harry's cock was and said ohhh f-fuck~. Harry pushed his cock slowly inside of Draco AHHH~ and Harry slide his cock in and out of Draco's hole Harry started to go faster Ahh~ Yes f-faster~ Harry went faster and harder. I am going to fuck you until you can't walk okay?~ Harry said YESS~ Oh FUCKK~
Harry was about to cum Draco was about to cum too Harry was cumming inside Draco and deep inside AHHHHH~ and Draco came after they were both exhausted and fell asleep.

Snape x Lucius
Snape saw how pink Lucius's asshole. Snape took off his pants and let Lucius suck on his cock Mm~ Snape moaned Lucius stop sucking and Snape placed him on the bed Snape said the same spell to lube Lucius up he started moaning louder when the spell was done Snape shoved his cock inside of Lucius AHHH~ f-fuck he said. Snape slide his cock in and out of Lucius and started to go faster and harder Lucius's ass was tight and Snape started to suck on Lucius's neck and leaving marks Snape was cumming deep inside of Lucius AHHHhH~ YES fuck me~ Lucius said and Lucius came after Snape and Snape fell on the side of Lucius and they both fell asleep.

I- I am having so many nosebleeds because I have issues. "in my mind":(thank god I exist for this shit I love this so much)

HUHH???

WHAT DID I DO FOR PEOPLE TO READ THIS LORD AND HOWW????

After math

(I finally have the motivation to continue this story so enjoy because if not Ima come after you)

A few hours after the situation Harry woke up and saw Draco sleeping soundly, Harry gets up slowly trying not to wake Draco up and proceed to get Snape for classes. "Snape wake up we have classes!" Harry said
Snape woke up and he and Harry didn't question what happened earlier and let the Malfoy's sleep.
-in potions class-
"Alright everyone I have questions and I need answers so who got their hands on a lust potion?" Snape asked and no one answered "never mind I know who now..." Snape knew at the moment a few raven claws looked at each other. Harry saw who it was and knew what was going to happen... "you three and Harry stay and the rest of the class is dismissed!" As Snape pointed at the raven claws and Harry. After the class left the raven claws and Harry were left "so why did you do it?" Harry asked "We did it for fun and why does it matter?" One of the raven claws asked Snape just gave them detention and asked for the bottle they used. As Snape read the warnings he was left shocked and gave it to Harry, as he read..
-high chance of pregnancy
-heat
-uneasy balance
As Harry put the bottle down he was also shocked, Harry and Snape ran to the room of requirements they saw both the Malfoy's awake, Draco has his hand out for Harry because he was lonely and Lucius did the same thing.

To be continued...
(Hah another cliffhanger even I wanna know what's going to happen lol)
